

ABSTRACT GUIDELINES FOR ORAL AND POSTER PRESENTATIONS

- Please **download the abstract template** and using that form, follow the format carefully, deleting the light grey areas and completing with your own details.
- Provide a clear title of no more than 20 words.
- Your abstract should be between 150-250 words, and written in English. Use Times New Roman (12pt) font, and 1.5 line spacing. Please strictly adhere to these minimum and maximum length prescriptions.
- Please indicate if you intend this as a **poster** or **oral presentation**.
- Provide an informative abstract with a clear summary of your presentation's substance, including the following subsections: Objective, Method, Results and Conclusion.
- Please submit a brief biography and accurate contact details together with the abstract (as requested on the attached form).
- If you are not registered with the HPCSA as a psychologist, please submit a comprehensive CV, with details and abstracts of all your **publications**.
